### Social Action Committee Report

April 21, 2018

Thank you to Soror Rhonda Jacobs for attending Zeta Day at the Capitol and representing XZZ!

As a chapter we need to find a platform in which we can continue to grow and support the community such as: \*Voter Registration Drive in August/September, Foster Youth, Commercial Sexual Exploitation of Children, Attending a School Board Meeting (Board of Supervisors meeting, PTA or other local governing meetings), \*getting involved with PACT (People Acting in Community Together, and conducting at least 1 Women’s Leadership Workshop.

The platform does not include the Community Service projects to be conducted in which we will have at least 2 programs we support during Fall/Winter and Spring.

In following the outline of the National Social Action Initiative, we will also need to look into dates for August/September to start a voter’s Registration Drive , by teaming up with Silicon Valley NAACP.

- 1. Voter Education • Conduct a local voter registration drive to ensure that our constituents are prepared to vote in the upcoming mid-term elections. • Set up voter registration stations in heavily traveled areas. • Plan and subsequently host candidate forums and town hall meetings
- 2. Voter Registration • Create and distribute informational materials regarding pertinent issues in your communities (Education, Infrastructure, Human Services, etc.)
- 3. Voter Mobilization • Plan and host issue forums or moderated community discussions • Distribute petitions to garner support for relevant issues • Please share #VoterTakeOver2018 and #ZetasGetEngaed on social media platforms in order to track our activities online.

### Social Action Committee Report

“As Finer Women of Zeta, we have always stood for the right, rather than for the might. If we want to see change in our communities, we must be the change”.
