**Youth Committee Report**

Last month, Amicettes and Archonettes conducted a successful community service at the San Jose Family Housing by having several activities for the various age ranges. Pearlettes made chia caterpillars with their advisor.

Thanks to Sorors for your \$126 contribution towards the 18 St. Judes Medical Dolls. We were able to supply more dolls than requested the National Youth Director.

Today, we have our end of the year potluck celebrating two Archonettes graduates. We also have three Amicettes graduating from middle school.

**Scholarship**

Committee is waiting on scholarship allotment from the chapter. Recipients will be notified of their award amount on July 1.
