Dearest Sorors,

This year was quite challenging for me as Madam Basileus and my MIP committee knows. The back and forth of ensuring I had every I dotted and every T crossed gave me several hair pulling moments, but nonetheless I prevailed. I had a personal goal to bring in 5 new members this Sorority Year and although we didn't get our 5 new members we were able to obtain: 2 Dynamic New Members, 2 Incredible Transfer Sorors, 3 Resourceful Reclaim Sorors and retained our Exemplary Roster from the 2016-2017 Sorority Year, It was definitely an experience one will never forget.

Lets please take a moment of Remembrance for Triumphant Soror LaToya Barnes and Triumphant Soror Thadarine McIntosh.

I would like to thank the chapter for being very supportive during my first and last term as First Anti Basileus and receiving the many emails I've distributed this year with no complaints, well that I know of (smile). I wanted to take a different stance of cohesiveness and celebrating each other as that soror likes to be celebrated. My hope is that every soror whether already a chapter member, a transferring soror, a reclaim soror and/or a new soror felt that warm welcome from myself as their initial contact serving as XZZ First Anti Basileus.

From the Sisterly Bonding events to bringing in our newest members, Please Welcome Soror Dana Hudson and Soror Lynette Jones.

We have definitely met the expectations of our National theme this year of "Sisterhood".

It brings tears of joy and an elevation of new possibilities to have received the distinguished title of Zeta of The Year and know that I will continue to do my best work within the community that allows Zeta Phi Beta Sorority, Incorporated to shine bright through me; so that girl, that shy introverted lady, that professional woman, that

FINERWOMAN who is struggling to find their true self, remembers her self worth and finds the strength that she too can carry on and be great at whatever her eyes lock in on!

I encourage every soror to attend the next MIP training session, to continue to get XZZ name out in the community so the entire Bay Area knows who we are, what we stand for and know that they can count on us . I challenge you to go out for coffee or lunch with a soror you don't have that intimate connection with and build on the sisterhood and love for ZETA!

souls that live withdrawn
In the peace of their self-content;
There are souls, like stars, that dwell apart,
In a fellowless firmament;
There are pioneer souls that blaze their paths
Where highways never ran;-
But let me live by the side of the road
And be a friend to man”- Sam Walter Foss*
