- **Engaging and Motivating your Chapter**
  - Five Ways to motivate the unmotivated:
    1. Reject the notion that motivation is something you do to others.
    2. Give power don't take it. Power enables control. ...
    3. Put more in if you want more out. Train, develop, and release. ...
    4. Tap their interests. ...
    5. Connect don't disconnect.
