### **Youth Committee Report**

Approximately, 9 youth will be attending our Wildlife Refuge tour today at 1p. Sorors are welcome to join us as this is a Zeta partnership with U.S. Fish and Wildlife. Next month (May), Archonettes and Amicettes will be conducting a community service at the Family Shelter. All activities will be led by the Archonettes. Pearlettes will conduct a separate activity.

### **Finer womanhood Brunch Committee**

Brunch was a success. We sold approximately 150 tickets. Thanks for committee members who had a vision which came to life. We received many compliments on the decorations and honoring the other sister organizations was a great idea because those organization members attended (and contributed to tickets sales).

A couple of issues to consider for next year: food cost has increased at the Crowne Plaza so we only made approximately \$10 per ticket sale from a \$50. We will need to look at ticket price increases and/or location changes if we would like to keep tickets at the same price. \$50 has been our ticket cost for approximately 5 years.

50/50 idea turned out better than anticipated as no Sorors had to come out of pocket for raffle/auction prizes. Approximately \$1600 was made. The only expense we had was the ticket cost of \$120.

*Respectfully submitted: Renee' Rodgers*

### **Scholarship**

We awarded 3 scholarships and will notify them of their award amount by July 1, 2018. We received an \$3000 donation specifying each girl will get an additional \$1000 based on the amount designated.

*Respectfully submitted: Connie Carr-Jones & Renee' Rodgers*
